

## CONFERENCE OF THE SECOND ADVENTS

First Session Opens With the  
Usual Earnest Zeal.

### MANY CHURCHES REPRESENTED

Reports of the Growth of the Society  
Come From Many Cities—The Ses-  
sions Will be of Interest to All—The  
People Invited.

The Second Quarterly Conference  
of the Second Advent Church of the  
State convened with the Gainesville  
church on Wednesday morning, May  
17th, and the attendance was as good  
as could be expected, the churches in  
the conference being fairly well rep-  
resented.

The session opened with devotional  
service led by Elder O. T. Mattox.  
After a song by the choir and congre-  
gation, the Scripture lesson was read  
from Psalm 145. Prayer was then of-  
fered by Brother J. D. Kendrick.

Some of the delegations were not  
complete at the opening, but there  
were several arrivals later. From the  
outset the meeting looked very en-  
couraging to those whose hearts were  
in the work and there was much en-  
couragement for them.

Among the delegates present were  
Bro. T. Dowling and Elder O. T. Mat-  
tox of Live Oak; Elder P. H. Dowling  
representing Peacock and Slayton;  
Elder J. T. Johnson and Brother C. R.  
Armstrong of Jacksonville; Elder J.  
Sherouse of Jacksonville.

Elder T. B. Wright of South Caro-  
lina was among the visiting brethren  
and gave words of encouragement.

The sessions were devoted mostly to  
business and many reports were read.  
Brother Sherouse had a report from  
Mulberry church which spoke of much  
good being accomplished there.

Bros. J. H. and Jacob Cannon brought  
encouragement from Slayton and Pea-  
cock.

The evening song and praise service  
was attended by a very good audience.

The meeting will convene at 9 a. m.  
today. The people of the city are in-  
vited to come.

### TRANSPORTATION PARTY.

Came to Investigate Crops Along Line  
of Gainesville & Gulf.

W. J. Ayers of Jacksonville, travel-  
ing freight agent, R. K. Barton of Tam-  
pa, traveling freight agent, and D. E.  
Williams of Jacksonville, commercial  
agent of the Southern Railway, and  
S. A. Williams of Jacksonville, travel-  
ing freight agent of the Queen & Cres-  
cent Route, formed a party Wednesday  
who came to look over the trucking  
situation along the Gainesville & Gulf  
Railway.

These gentlemen made a trip south  
along the Gainesville & Gulf, and were  
well pleased with the prospects.

### SANFORD IS PROSPEROUS.

A Large Quantity of Vegetables Moved  
During the Season.

Among the visitors to Gainesville  
Wednesday was T. E. King of the Ar-  
mour Car Lines, who for the past few  
weeks has been making his headquar-  
ters at Sanford.

Mr. King states that the Sanford sec-  
tion is undoubtedly the heaviest ship-  
ping section for truck in the State.  
That section is a heavy producer of  
celery, lettuce and tomatoes.

There has already been shipped from  
the Sanford district by refrigeration  
145 carloads of celery and possibly fifty  
carloads by express. The shipping is  
not yet over and the probability is that  
205 carloads will be shipped before the  
season is over. The greater part of the  
refrigerated crop was sold by the grow-  
ers f. o. b. and realized good prices.

"Talk about lettuce," continued Mr.  
King, "I have seen a great deal of let-  
tuce during my connection with the  
transportation business, but that San-  
ford crop beat everything I ever saw.  
Lettuce seemed particularly to prosper  
in that section, with the result that  
there has been shipped by refrigerator  
alone 150 carloads. This plant, though  
exceptionally fine, did not bring en-  
couraging prices, owing to the large  
crop throughout the State."

Mr. King states that the truckers are  
now shipping tomatoes, which are very  
fine. The indications point to a yield  
of about 200 cars.

### NEW LODGE AT WILLISTON.

Members of Mount Vernon and Archer  
Lodges Institute K. of P. Lodge.

The team from Mount Vernon Lodge  
No. 20, Knights of Pythias, who assisted  
Archer Lodge in instituting a lodge at  
Williston Tuesday night, returned to  
this city Wednesday morning.

The visitors report an excellent time  
and are loud in their praise of the man-  
ner in which they were entertained by  
the Williston boys. The instituting  
proceedings and initiation of candi-  
dates was an all-night undertaking, but  
there was plenty to eat, prepared in  
that good old style in which Williston  
folks know how to prepare things, and  
nobody felt the effects until after re-  
turning home.

The lodge was launched with most  
encouraging prospects. Sixteen mem-  
bers were initiated into the mysteries  
of the order, and it is understood that  
several applications for membership  
have been filed. The members man-  
ifested a great deal of enthusiasm in  
the work.

The following officers were elected for  
the first term: S. Phillips, chancel-  
lor commander; Dr. J. M. Willis, vice-  
chancellor; James A. Galloway, pre-  
late; R. M. Fugate, master of work;  
W. O. Brewer, master at arms; P. W.  
King, keeper of records and seal and  
master of finance; T. D. Williams,  
master of exchequer; H. G. Nelson,  
inner guard; C. A. Vaughan, outer  
guard.

### Jottings From Jonesville.

Jonesville, May 18.—There was a fish  
fry at Horse Shoe Lake last Wednes-  
day. Among those present were Dr.  
A. R. Williams, T. L. Wilson, Theo.  
Allen, Paul Bates, T. C. Scott, B. P.  
H. Dudley, and a good many others.  
The day was well spent eating fish and  
discussing watermelon growing.

A. T. Allen, one of the watermelon  
and cantaloupe growers, has returned  
from a short visit to South Carolina.

M. C. Goult, the commissary man of  
Tigra, has gone home to spend a few  
weeks.

Mrs. Murphy of Komoko has gone to  
Jacksonville to spend a few weeks with  
her mother.

The peach crop at Komoko is look-  
ing well. They have a good many  
hammers ringing, making crates. It  
seems from the looks of the crates  
they are having made, they anticipate  
shipping quite a lot of fruit this sea-  
son.

The farmers through this section  
are having beautiful weather for sow-  
ing grain.

### Juggling With Dynamite

Is no more dangerous than to neglect  
kidney disorders. Foley's Kidney Cure  
corrects irregularities and has cured  
many severe cases after other treat-  
ment has failed. It builds up the worn  
out tissues and restores health and  
vigor. "I was troubled with kidney  
complaint for about two years," writes  
A. H. Davis of Mt. Sterling, Iowa,  
"but two bottles of Foley's Kidney  
Cure effected a permanent cure." Sold  
by J. W. McCollum & Co.

### Ladies' Auxiliary Elect Officers.

Portland, Ore., May 17.—The La-  
dies' Auxiliary of the Order of Rail-  
way Conductors, continuing its annual  
meeting here has elected the following  
additional officers: Grand senior sis-  
ter, Mrs. L. H. Rigg, Tucson, Ariz.;  
grand guard, Mrs. W. S. Garr, Atlan-  
ta, Ga.; Mrs. J. H. Moore, of Toledo,  
Ohio, who yesterday was elected  
grand president, was also elected pres-  
ident of the Fraternal Beneficiary as-  
sociation. Mrs. P. C. Callahan, of  
Jamestown, Tenn., was elected a mem-  
ber of the grand executive committee.

### A World Wide Reputation.

White Cream Vermifuge has achiev-  
ed a world wide reputation as being  
the best of all worm destroyers, and  
for its tonic influence on weak and un-  
thrifty children, as it neutralizes the  
acidity or sourness of the stomach,  
improves their digestion, and assimila-  
tion of food, strengthens their nerv-  
ous system and restores them to the  
health, vigor and elasticity of spirits  
natural to childhood. Sold by W. M.  
Johnson, Gainesville, Fla., and J. C.  
Bishop, Alachua, Fla.

### Boy Wants \$100,000 Damages.

New York, May 17.—John H. Freit,  
17 years old, who began as an exer-  
cise boy, but afterward became a  
jockey, has begun suit against August  
Belmont for \$100,000 damages for al-  
leged libel. He was employed by Bel-  
mont, but had some misunderstanding  
with the stable or disobeyed or-  
ders and went west. Notice that he  
had got a discharge was printed in the  
Racing Calendar of the Jockey Club.  
As a result, the boy was not able to  
get employment.

### If the Baby is Cutting Teeth

Be sure and use that old and well-  
tried remedy, Mrs. Winslow's Sooth-  
ing Syrup, for children teething. It  
soothes the child, softens the gums,  
allays all pain, cures wind colic and is  
the best remedy for diarrhoea. Twen-  
ty-five cents a bottle.

### Rojestvensky's Plan Secret.

St. Petersburg, May 17.—The nava-  
game in the Far East is watched with  
intense interest, but the admiralty is  
able to throw but little light on the  
situation. It gives no confirmation of  
the Tokio report that Admiral Rojest-  
vensky returned to Hon Kohe Bay.  
The Russian admiral is keeping his  
movements and plans secret.

## You Get Up

In the morning tired, languid,  
and frequently with a headache  
that is almost unbearable. You  
have been nervous, restless and  
sleepless night after night, and  
gloomy and irritable during the  
day. This nervous exhaus-  
tion affects the heart, lungs and  
other organs that depend upon  
the nerves for motive power.  
Then the stomach fails to di-  
gest the food; the heart action  
is weak, and circulation poor,  
and the kidneys and liver in-  
active.

What you need is not a stom-  
ach, head, kidney or liver med-  
icine, but Dr. Miles' Nerveine to  
soothe and feed the nerves and  
build nerve tissue.

"My wife was subject to severe men-  
tal strain, which resulted in nervous  
prostration. The first symptoms were  
uncontrollable crying and melancholy  
spells, which increased to such an ex-  
tent that for over a year she would  
have a spell every day of from four  
to six hours duration. She required  
the constant attention of her physi-  
cian and attendants. She suffered great  
pain and anguish. The best physicians  
attending her could give no relief, and  
she finally became almost of unsound  
mind. As a last resort I began giving  
her Dr. Miles' Nerveine and Tonic, and  
noticed that her spells next day were  
not so severe, and they gradually dis-  
appeared altogether. She has had no  
recurrence of the spells, and is gain-  
ing in health and strength."

J. P. OVERHOLSER, Sterling, Ill.  
Dr. Miles' Nerveine is sold by your  
druggist, who will guarantee that the  
first bottle will benefit. If it fails, he  
will refund your money.
